Donation/Pledge Form

Thank you for your support of the AAEA Trust. Please use the boxes below to indicate the amounts of your total contribution that you would like to allocate directly to each of the four general support categories. You may also make contributions to Appreciation Clubs & Special Purpose Funds using this form.

Student & Early Career Professional Travel and Development The Student and Early Career Professional Travel and Development support category provides assistance for students and early career professionals. Allocations to this category are used to provide travel grants for the Annual Meeting, general support for projects conducted by students and early career professionals, and support for the Undergraduate and Graduate Student Sections' Annual Meeting activities.

Contribution
\$ _____

Outreach AAEA's Outreach efforts disseminate members' professional analysis and information to a broad public, and promote exchanges of information among members to enhance their own teaching, extension, and other outreach efforts. These goals are accomplished through *Choices Magazine* and *Policy Issues*.

Contribution
\$ _____

C-FARE The Council on Food, Agricultural, and Resource Economics (C-FARE) is a non-profit organization dedicated to strengthening the national presence of the agricultural and applied economics profession. C-FARE organizes briefings, seminars and professional reviews and disseminates policy briefs. C-FARE projects are aimed at communicating the profession's findings and demonstrating the value of agricultural and related applied economic research to policymakers and their staffs, as well as representing the public good interests of the profession.

Contribution
\$ _____

Unrestricted Uses Allocations of donations to the Unrestricted Uses support category will be used to support programs and projects beyond the scope of the other three support categories. These allocations may also be used to supplement activities in the other three categories as needed.

Contribution
\$ _____

Special Purpose Funds AAEA Special Purpose Funds are restricted use funds that support a particular award/scholarship each year. More information about each of these funds can be found on the AAEA Trust website (www.aaea.org/trust/).

AgEcon Search Special Purpose Fund supports the efforts of AgEcon Search and AAEA to preserve and make freely available the literature of agricultural and applied economics.

\$ _____

Jon Brandt Special Purpose Fund will fund an annual Jon Brandt Public Policy Forum. Each Forum will share economic research with private and public sector decision makers on issues important to agriculture, food, rural, environmental, and related societal issues.

\$ _____

Bruce L. Gardner Special Purpose Fund supports the Bruce Gardner Memorial Prize for Applied Policy Analysis Award which recognizes outstanding impact on agricultural and related policy, based on sound foundations in economic theory, in the tradition of Bruce Gardner.

\$ _____

Anthony M. Grano Special Purpose Fund was established to provide scholarships for academically successful, highly motivated students in agricultural economics or a closely related discipline with an interest in agricultural policy and the policy formation process.

\$ _____

Sylvia Lane Special Purpose Fund sponsors activities that encourage the academic and professional development of individuals (especially women) conducting economic analyses of food, agricultural or natural resource issues.

\$ _____

Uma Lele Special Purpose Fund provides fellowships for early career scholars in Sub-Saharan Africa and South Asia to work with distinguished mentors in US universities on cutting edge, policy-relevant research.

\$ _____

Chester O. McCorkle Jr. Special Purpose Fund supports applied research by a graduate student on economic issues relating to agriculture.

\$ _____

Luther G. Tweeten Special Purpose Fund provides support for graduate student research on socioeconomic problems of Africa, especially addressing issues of food, population, and environment that affect economic development, poverty, and food security.
