Position Description

The University of Wisconsin - River Falls invites applications for two tenure-track undergraduate faculty positions (100% teaching) at the rank of Assistant Professor in the Department of Agricultural Economics. The positions are full-time, nine month, tenure-track undergraduate faculty positions (100% teaching) at the rank of Assistant Professor in the Department of Agricultural Economics. The standard teaching load is 12 credit hours per semester. The successful candidate will demonstrate strong interests and ability to teach courses in agribusiness management, agricultural finance, or agricultural marketing and other classes dependent on expertise and department needs. Opportunities exist for optional summer employment through teaching, research grants, internship supervision and other funding sources. Appointment date: August 26, 2013. Please see the University's website for the application process, deadline, complete position description and qualifications at <http://www.uwrf.edu/HumanResources/EmploymentOpportunities/UnclassifiedEmployment.cfm>. Review of applications begins April 8, 2013. The University of Wisconsin-River Falls is part of the Minneapolis-St. Paul statistical area. AA/EEO.
